Experienced in staff leadership, high-volume workflows, HIPAA compliance, revenue cycle support, and healthcare systems, with additional training in Full Stack Web Development.

CORE COMPETENCIES

Healthcare Administration | Patient Access | Office Management | Insurance Verification | Eligibility & Benefits | Referrals & Authorizations | Appointment Scheduling | Claims Management | Chart Audits | Collections & Revenue Cycle | HIPAA Compliance | Staff Training & Leadership | Customer Service | Executive Support

PROFESSIONAL EXPERIENCE

ASPEN DENTAL — Assistant Office Manager

April 2025 – Present | Orlando, FL

- Coordinate daily practice operations, including scheduling, insurance verification, chart audits, treatment acceptance, collections, and patient account activities.
- Supervise staff priorities and daily workflows while supporting employee training, performance, and development. Oversee appointment scheduling and confirmations to promote efficient patient flow and exceptional patient service.
- Verify insurance payments and patient balances; balance nightly deposits and oversee credit-card processing.
- Manage high-volume claims and administrative tasks while meeting productivity and performance expectations. Conduct chart and operational audits, analyze findings, identify discrepancies, and communicate results to management and providers.
- Maintain HIPAA compliance and adhere to company policies, government regulations, and applicable dental board standards.

ADVENTHEALTH — Consumer Access Specialist, Remote

February 2023 – April 2025 | Orlando, FL

- Collected and maintained accurate patient demographic, insurance, and registration information in a high-volume healthcare environment.
- Verified insurance eligibility and benefits and obtained prior authorizations from third-party payers according to payer requirements.
- Obtained PCP referrals and corrected demographic, insurance, authorization, and pre-bill errors to support timely patient services and accurate claims.
- Collaborated with internal departments and insurance companies to resolve patient access, referral, and authorization issues.
- Maintained patient confidentiality and HIPAA compliance while handling protected health information.

SUPERPOWERSHQ SERVICES, LLC — Executive Assistant, Remote
June 2020 – February 2023 | Orlando, FL

- Managed email, calendars, projects, tasks, time, and account-related administrative activities for the CEO.
- Prepared and managed client correspondence, business documents, and monthly reports.
- Collected, organized, and analyzed data to support vendor documentation and business operations.
- Coordinated multiple priorities and deadlines while maintaining accuracy, organization, and confidentiality.

VALENCIA COLLEGE — Administrative Assistant
January 2013 – June 2020 | Orlando, FL

- Provided administrative support through data entry, filing, document management, telephone assistance, and general office operations.
- Assisted students, staff, and visitors with information regarding courses, programs, and campus resources.
- Directed individuals to appropriate departments and provided professional customer service in a high-volume environment.
- Trained and assisted new staff during onboarding and reinforced departmental procedures.
