ADMINISTRATIVE SUPPORT PROFESSIONAL

Administrative professional with 13+ years of experience supporting office operations, staff training, executive administration, and confidential records management in healthcare and education settings. Experienced in coordinating team workflows, conducting documentation audits, interpreting organizational procedures, and resolving sensitive service issues. Brings transferable strengths in employee support, onboarding, compliance, reporting, and cross-functional communication to Human Resources operations.

CORE COMPETENCIES

Employee Onboarding & Training • Staff Coordination • Confidential Records Management • Policy & HIPAA Compliance • Documentation Audits • Employee Communication • Office Administration • Cross-Functional Collaboration

Scheduling & Reporting • Workday • Microsoft Office

QUALIFICATIONS

- ✓ Experience training new staff in departmental procedures and supporting employee development and consistent operations.
- ✓ Strong record of maintaining confidential information, reviewing documentation for accuracy, and meeting HIPAA and organizational standards.
- ✓ Effective communicator skilled in preparing reports, organizing records, and collaborating across departments; proficient with Workday and Microsoft Office.

TECHNICAL SKILLS

- **Front-End:** HTML5 | CSS3 | JavaScript | React | Redux | Redux Toolkit | Vite | React Router DOM
- **Back-End:** Node.js | Express.js | REST APIs
- **Databases:** PostgreSQL/SQL | MongoDB | Sequelize | Mongoose
- **Development Tools:** Git | GitHub | npm | VS Code

PROJECTS

- **Redux Store**
- **Live Application:** redux-store-z27u.onrender.com
  GitHub: github.com/elissegomez24/Redux-Store
  - ✓ Developed a responsive e-commerce application that allows users to browse products, view product details, manage a shopping cart, and complete the checkout process.
  - ✓ Built the application using React, Redux Toolkit, Vite, React Router DOM, CSS, and API integration.
  - ✓ Implemented centralized state management with Redux Toolkit to manage shopping cart and application data.
  - ✓ Created reusable React components and client-side routing to provide streamlined user experience.

- **Book Search Engine**
- **Live Application:** book-search-engine-zwyh.onrender.com
  GitHub: github.com/elissegomez24/Book-Search-Engine
  - ✓ Developed a full-stack book search application that allows users to search and explore books using the Google Books API.
  - ✓ Built the front end with React, Redux Toolkit, Vite, React Router DOM, and CSS.
  - ✓ Implemented API integration and state management to retrieve, display, and manage book search results.
  - ✓ Designed a responsive interface focused on usability and intuitive navigation.

PROFESSIONAL EXPERIENCE

ASSISTANT OFFICE MANAGER ▪ Aspen Dental | Orlando, FL | Apr. 2025 – Present

- Report to the Operations Manager and oversee 10 employees, including front desk staff, dental assistants, and lab technicians; coordinate daily operations, staff priorities, and training.
- Conduct chart and operational audits, identify discrepancies, and communicate findings to management while reinforcing HIPAA, company policies, and regulatory requirements.
- Oversee appointment scheduling, insurance verification, patient accounts, claims, and collections while maintaining efficient workflows and service standards.

CONSUMER ACCESS SPECIALIST (REMOTE) ▪ AdventHealth | Orlando, FL | Feb. 2023 – Apr. 2025

- Maintained accurate demographic, insurance, and registration records in a high-volume environment while safeguarding protected information under HIPAA.
- Collaborated with internal teams and third-party payers to resolve eligibility, referral, authorization, and documentation discrepancies.
- Verified insurance eligibility and benefits, secured prior authorizations, and corrected pre-bill issues to support accurate, timely services.

EXECUTIVE ASSISTANT (REMOTE) ▪ SuperPowersHQ Services, LLC | Orlando, FL | Jun. 2020 – Feb. 2023

- Managed CEO calendars, email communications, projects, priorities, and confidential business correspondence across multiple deadlines.
- Prepared monthly reports, maintained vendor records, and organized operational data and documentation to support informed business decisions.

ADMINISTRATIVE ASSISTANT ▪ Valencia College | Orlando, FL | Jan. 2013 – Jun. 2020

- Assisted with onboarding and training new staff, explaining departmental procedures and supporting consistent service delivery.
- Managed departmental documents, data entry, filing, and high-volume requests while assisting staff, students, and visitors across campus departments.
